

SWORD MINI FABRIC DISPLAY 4' X 4'

Product Features

This mini banner frame (Sword) is a great alternative to standard pop up backwall displays. The Sword can adjust from an 37.5" to 70.5" width & 37" to 96" height display. Pole pockets are sewn on all 4 sides of the fabric print. The frame is constructed out of telescopic poles that "slide", allowing larger graphics to be used on the display
