

SNAP TUBE 8FT CURVED

Product Features

Sleek and Easy, our tension fabric systems are a great alternative to standard backwall displays. Quickly assembled in just 5 minutes, slide the tubes together to make the frame and lock in place with a push button snap. Then, simply pull the pillowcase-like graphic over the frame and zip it shut. The zipper, hidden from view, tightens the stretch fabric beautifully displaying your images. Disassembled, the lightweight frame and graphic fits inside a compact silver bag. The Snap Tube is available in 5 sizes and different styles. Quantity Prices are also available on our website.
