

# SNAP STAND 3FT.

## PRODUCT DESCRIPTION

With a sleek and thinner diameter, our new Snap Stand frames are a great alternative to our premium backwall displays. Quickly assembled in just minutes, slide the tubes together and lock them in place with a push button snap to assemble the frame. Then, simply pull the pillowcase-like graphic over the frame and zip it shut. The bottom zipper - hidden from view, tightens the stretch fabric beautifully displaying your graphic from edge to edge. Disassembled, the lightweight frame and graphic fits inside a beautiful compact silver bag. Like our premium Snap Tube, the Snap Stand is also available in several sizes and shapes. Quantity pricing is available on our website.

### 5FT

60"x90"

Connect numbered tubes together.

Snap tubes together.

Screw foot to tube with threaded bottom.

Cover frame with fabric graphic.

To assemble, secure the longest vertical poles onto the pair of feet using the included allen wrench. Add the bottom horizontal support pole and secure. Snap on the remaining vertical poles, then top frame with the curved bar to complete stand to swiftly drape with the pillowcase graphic. Using the industrial-sized zipper, zip underneath the bottom support pole, maximizing fabric tension.
