

# DENALI MEDIUM STRAIGHT

150w Halogen lights  
UL Listed  
(Optional)

Half Hard Case is optional.

\*Package includes padded nylon travel bag

## PRODUCT DESCRIPTION

Our ultra lightweight aluminum alloy fabric pop-up display in a matte satin anodized finish is an ideal eye-catcher for your trade show, exhibition, or conference. It's versatility and simple 2-minute setup, as well as it's Velcro attachment, makes it functional for special events as well as an in-office promotional tool for walk-in customers. Another convenient feature is that your graphic stays attached in your free travel/carry bag that comes with each frame you purchase.

# DENALI MEDIUM STRAIGHT

## PARTS LIST

(Qty 1) Frame  
(with pre-installed graphic)

(Qty 1) Padded nylon travel bag

# DENALI MEDIUM STRAIGHT

## SET UP INSTRUCTIONS

**1** Remove frame and graphic from nylon bag.

**2** Ensure "adjustable feet" of frame are on the floor. Pull up display into upright position.

**3** Lock all hooks between front and back hubs.

**4** Adjust leveling feet for desired angle. Ready pop display can now easily be moved into position.

**5** **OPTIONAL**  
Attach lights to top of frame by sliding the plastic "x blocks" under the frames cross sections.

**Warning:** To avoid damage, separate end caps & disconnect ALL hooks before collapsing the frame.

### How to install or replace graphics on your OneFabric:

**1** Assemble frame and lay flat on its back. Remove existing graphic.

**2** Starting at one corner, attach velcro on the graphic to velcro on the frame. **NOTE:** Velcro on the graphic should extend approx. 1/4" - 1/2" beyond velcro on the frame (it should not be flush).

**3** Working in a continuous direction around the frame, attach the rest of the graphic. Make sure the graphic is pulled taut while attaching the velcro.

**4** If needed, adjust velcro for taut fit.
